#### Bharat Ratna Late Smt. Lata Mangeshkar

Lata Mangeshkar was an Indian playback singer and occasional music composer. She is widely considered to have been one of the greatest and most influential singers in India and one of the world's greatest singers as per the sources.

Lataji has received numerous awards and honors for her illustrious career as a playback singer. Some of the Awards she won are Padma Bhushan (1969), Dadasaheb Phalke Award (1989), Padma Vibhushan (1999), Maharashtra Bhushan Award (1997), NTR National Award (1999), and ANR National Award (2009). She was awarded the Bharat Ratna, India's Highest Civilian Award in 2001.

She won 3 National Film Awards (1972, 1974, 1990), and 12 Bengal Film Journalists' Association Awards (1964, 1967-1973, 1975, 1981, 1983, 1985, 1987, 1991). She has also won the Filmfare Awards for Best Female Playback Singer four times (1958, 1962, 1965, 1969, 1993, 1994). She was awarded the Filmfare Lifetime Achievement Award in 1993.

She is listed in the Guinness Book of World Records as the most recorded artist in the world. In a span of 75+ years, she recorded approx 50,000 songs in 14 languages. Lata Mangeshkar was a woman of determination, willpower, and commitment. She was hardworking and devoted to her work. She moved dignitaries including Prime Minister Jawaharlal Nehru to tears with her rendition of the famous patriotic song 'Ae Mere Watan Ke Logon'.

After India won the world cup cricket in 1983, Lata Mangeshkar raised Rs 20 lakh for the Indian Cricket team and they got Rs 1 lakh each Shikhi Sharma,is a Senior Manager at Indian Bank, Government of India, and a novelist known for her second novel 'Unbeatable' (2021), and her debut novel, Life as it comes(2015).

She started writing for the school magazine at the age of 8 and graduated from Government college Udaipur in the Electrical engineering department. She has also been a debater and competed at the national level in 2008-09. An engineer turned banker, Shikhi is passionate about writing. She ardently believes in channelizing her literary talents to tell meaningful stories which have the power to touch lives and make an impact on the world. Her first novel 'Life as it comes' was published in 2015 and became an instant bestseller. The book was based on her personal experiences as an Engineering college student

# SHIKHI SHARMA Author

Over the years, Shikhi has been the proud recipient of some prestigious honors. She was awarded "Women of Rajasthan" by Respected MP Diya Kumari Ji in March 2021 organized by We, the Women of Rajasthan. She was also the Winner of the India International Women Awards 2022. She also won the Asian Author Female award, and AIWAA 2022 award, alongside Winning being the winner of the 3rd edition GIWL 2022 Award. She was also awarded as "Guest of Honour" by the Mrs. India foundation in the Divalicious Mrs. India contest held in March 2022. Most recently, she won the India 5000 Award (for 2022). There have been many felicitations for achievements in Banking, Writing, Women Empowerment, and Environment awareness and protection.

During the first and second wave of Covid, She was on duty as Government Banks were open to all. During that period, she provided food packets to more than 1500 families in Jaipur. She along with her staff distributed food packets at multiple railway stations in Jaipur. They also supplied food packets to the Police Station, Shipra Path, and from there with the help of police staff, they distributed food packets in the nearby areas. You can reach out to her at shikhisharma.webflow.io

Hon'ble Droupadi Murmu President of India

Droupadi Murmu is an Indian politician and former teacher who is serving as the 15th and current President of India since 2022. She is the first person belonging to the tribal community and also the second woman after Hon'ble Pratibha Patil to hold the office

The presidency of Droupadi Murmu began on 25 July 2022, after she took the oath as the 15th President of India, administered by Chief Justice N. V. Ramana

She is the current youngest president of India. Her hobbies are reading and knitting. She is a down-to-earth and humble, softspoken woman who rose to political prominence through her humility and hard effort.

#### DROUPADI MURMU

### President of India

Though her personal life remained full of struggle and tragedy, Murmu touched the pinnacle in the public life and achieved monumental records in politics and social services. She lost her husband and two grown up sons, but she stood strong on all occasions.

Mrs. Murmu created history as she became the first women governor of Jharkhand, the first tribal governor of a tribal state, the first Odisha-born woman to be a governor. In her family Draupadi Murmu is accompanied by her only daughter, Itishree Murmu who is a bank-employee and her son-in-law, Ganesh Hembram who is a rugby player

In her first address to the nation as President of India, she said, "I am the first President of the country who was born in independent India. We will have to speed up our efforts to meet the expectations that our freedom fighters had with the citizens of independent India."

Dr. Rajasree's journey has potrayed how diligent she is with 17 years of experience. Her moto is "where allopathy fails, homeopathy cures". With this in mind she cured many chronic diseases like diabetes [without insulin and strict diet], kidney stone, stomach problems and so on.

### Dr. RAJASREE CHOWDHURY

Homeopathy

She has treatment for other major diseases like tumors like brain tumors, various cysts, migrain, nerve problems, hepatitis B, and thyroid. She prefers treatment over surgery and has claimed 100% guarantee over that. She has cured infertility with homeopathy treatment. Apart from this she believes in social activities, hence providing free services and treatment to people. She started her own clinic in 2006

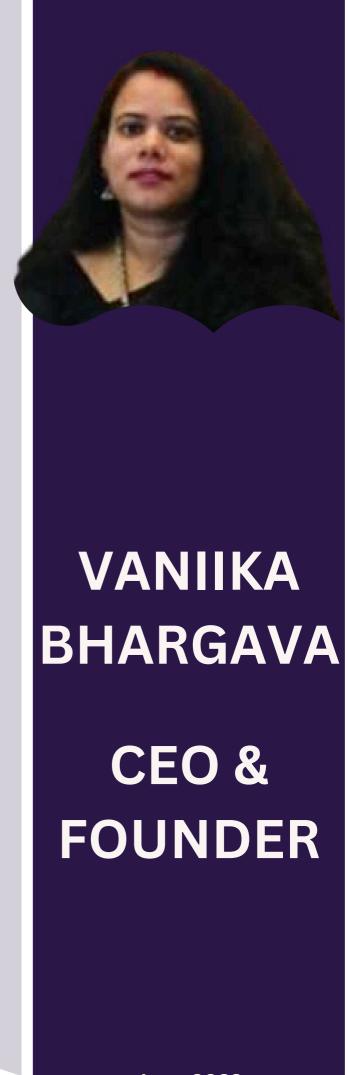

Her assiduous attitude towards her career honored her with several awards at national and international level, mentioned below:

- 1. Chikitsak Ratan Award
- 2. Hind Ka Gaurav Award
- 3. Rastriya Ratan Award
- 4. Excellence of Anatomy
- 5. Bharat Ratna Indira Gandhi Sadbhavana Award
- 6. 21st Century Health Excellence award (Best Doctor)
- 7. Honourary Doctorate (Diabeties & Hormonal Imbalance in all Diseases)
- 8. Women international award
- 9. Women Leadership award
- 10. Indian Glory award
- 11. Global teaching excellence award
- 12. Asian Meritorious Medical Services award
- 13. Excellence in Medical treatment
- Dr. Rajasree Chowdhury has worked consistently on her believes and passion, which make her walk out through the most challenging phases of her life. With rigorous hard work she completed her education without her loved ones on her side. Moreover, the spark within her in order to achieve something in life always radiated positively

Under her leadership, each wedding is crafted and planned. The soul of the company who has the vision and her hard-work has turned Creativeshowz into a Brand.

She puts all of the finest elements together immaculately to create an atmosphere-an experience that all of our clients will remember fondly for years to come. She created this company by combining her passions for aesthetics, weddings, planning, and arranging

She amazes her clients with her innovation, creativity, and above all any last minute requirements are not a hurdle for her because she always stays well prepared. She manages all the celebrations and entire wedding with grace.

Varniika Bhargava brings her wealth of experience in designing and conducting weddings at one of India's leading wedding companies to the table. She insists that a wedding should be a mash-up of customs, ceremonies, and all things lovely, with a generous dollop of the couple's love tale thrown in for good measure. Since it is the most exciting day of their lives, the greatest, loudest celebration of their lives, we want to make sure the couple's tale shines through the celebration

Creativeshowz has been divided into 4 different segments. 1. Destination Wedding Planning and Hospitality Management 2. Wedding magazine (Wedding Crammers) to educate about the marriage and day to day useful things. 3. Wedding Talk show By Varniika (show around of new trends and unique products which can be used in a married life) 4. Wedding Consulting (pre and post wedding consulting to solve all the queries and problems of bride to be, groom to be or married couples.

She influences young generation to set up and run business successfully.

### Nirmala Sitharaman Minister of Finance in India

#### NIRMALA SITHARAMAN

## Finance Minister of India

Nirmala Sitharaman. Recognized as the first female to hold this position in India, Mrs. Sitharaman outlined the budget for the fourth year in a row on February 1, 2022. Continue reading to learn more about the trajectory of her career.Born on August 18, 1959, Mrs. Sitharaman and her family hail from Tamil Nadu. She was born to a Tamil Iyengar Brahmin family and her father worked as an Indian Railways employee. As a young girl, she studied in schools in Madras as well as in Tiruchirappalli. It was in Tiruchirappalli where she acquired a Bachelor of Arts degree in economics from the Seethalakshmi Ramaswami College. As a 25 year old, Nirmala moved to Delhi so that she could complete her Master of Arts and MPhil in economics from the prestigious Jawaharlal Nehru University.

While studying at JNU, Nirmala Sitharaman met her husband, Parakala Prabhakar. Despite having differing political ideologies, the couple got married in 1986 and went on to have a child named Parakala Vangmayi.

In the year 2006 Nirmala Sitharaman joined the Bharatiya Janata Party (or BJP) and four years later she went on to become the party's national spokesperson. Once this political party won the elections in 2014, she was appointed as a junior minister in the prime minister's cabinet. By June of the same year, she was elected as the Rajya Sabha MP for Andhra Pradesh. Fast forward two years, she contested and ultimately won the Karnataka chair in the Rajya Sabha elections.

September 3, 2017, saw her appointed as the country's second female to hold the position of Minister of Defense. While Indira Gandhi was the first female to ever hold this post, Nirmala Sitharaman was the first to ever hold it on a full-time basis.

All in all Nirmala Sitharaman has led a fairly prolific life and continues to be an inspiration to young people across the country.

Evadeep Saxena is a founder of Saksham Sansthan. She is a firm believer of making everyone "Capable" and with this mindset she is working as a social activist and she is a founder of Saksham Sansthan.

Currently, Saksham Sansthan is doing a project with Government of Rajasthan to rescue street Beggars and provide them shelter along with the training for self sustainability. These baggers are being rescued with the help of Police and later they are getting education, training, skill development, and various other activities to empower themselves. Later these people are getting jobs with the help of her NGO in various organizations. Saksham Sansthan is also helping those who became beggars due to family issue or those who ran away from the family

#### EVADEEP SAXENA

Social Activist, Anchor, Trainer

HE Influences

As per Eva, Saksham Sansthan is doing various projects with Government to ensure upliftment of the society. As per her, very soon she is coming up with budget kitchen scheme of government where anyone can have full meals at her centers in just Rs 8.

Saksham Sansthan is also doing lot of educational and awareness activities. Being an advocate (lawyer) and as a head of the organization, Eva believes that everyone has the right to live a better life and we at Saksham are trying level best to give the life and freedom to everyone as they deserve. Saksham Sansthan was registered in 2009 and since then the organization is setting high performance benchmarks.

Eva is also a TV show anchor and she is also taking freelance sessions in various educational institutions. If you want to connect with Eva and would like to join her mission, call her as she is just a call away. Her phone number and whatsapp number- +91-9672999416

Dr. Er.
NAFEESATHUL
MISRIYA

MD & Founder

An accomplished entrepreneur in multiple niches, a person of determination, a person who beat her limitations with her success story, a powerhouse who bagged glorious victories, a motivational speaker, an influencer, and a writer, and the list goes on. This Keralite Woman, Nafeesathul Misriya is indeed a woman to be admired by everyone

She is now under the spotlight for reaching excellence heights despite all her limitations. In spite of all the challenges she faced, she has managed to make her name among the top 100 women entrepreneurs in India. As a living example to any woman who has failed to achieve her dreams, set her goals, and live magnificently, her life is indeed inspirational.

She was diagnosed with Polio at the age of 2 and had one of her legs paralyzed. She did her schooling in her hometown. When she reached her Pre Degree, she suffered from pneumonia and was unable to continue. This female being a game-changer since then, and refused to give up. She joined an ITC Draughtsman Course and later studied Civil Engineering at Maharajas Technological Institute, Thrissur. From here, she designed her life in a completely different direction.

She knocked on every opportunity after completion where she knew she could offer more. As a freelancer offering architectural plans, she began with small steps to make a story. As her quality of work gained more and more clients, she decided to start her own construction company, Currently known as Minhaj Builders as one of the leading businesses in the Construction and Architecture industry, the company has strong and capable leadership. It has completed more than 2200 plans and 550 projects till now. As it flourished, the business was taken to other verticals too and today, Minhaj Group has under its domain, Minhaj Builders, Minhaj Cements Products, and Minhaj Collections.

#### Kamla Harris Vice President- USA

Kamala Devi Harris is an American politician and attorney who is the 49th and current vice president of the United States. She is the first female vice president and the highest-ranking female official in U.S. history, as well as the first Asian-American vice president.

Kamla graduated from Howard University and the University of California, Hastings College of Law.

In 2017, Vice President Harris was sworn into the United States
Senate. In her first speech, she spoke out on behalf of immigrants and refugees. As a member of the Senate Homeland Security and Governmental Affairs Committee, she fought for better protections for DREAMers and called for better oversight of substandard conditions at immigrant detention facilities

#### KAMLA HARRIS

#### Vice President-USA

As Attorney General, Vice President Harris won a \$20 billion settlement for Californians whose homes had been foreclosed on, as well as a \$1.1 billion settlement for students and veterans who were taken advantage of by a for-profit education company. She defended the Affordable Care Act in court, enforced environmental law, and was a national leader in the movement for marriage equality.

As Senator, Vice President Harris championed legislation to combat hunger, provide rent relief, improve maternal health care, and address the climate crisis as a member of the Senate Committee on Environment and Public Works. Her bipartisan anti-lynching bill passed the Senate in 2018. Her legislation to preserve Historically Black Colleges and Universities was signed into law, as was her effort to infuse much-needed capital into low-income communities during the COVID-19 pandemic.

The Vice President has also played a key role in engaging world leaders and strengthening nation's alliances and partnerships. In everything she does, she remains focused on the people of the nation—and collective future.

Dr. KANIKA SOOD

MBBS (Gold Medalist) Dr Kanika Sood Sharma is a leading radiation oncologist (Cancer Specialist) of the country .She currently holds the position of Director Radiation Oncology at Dharamshila Narayana Superspeciality Hospital Delhi. She hails from the hill state of Himachal Pradesh.

She did her schooling from
Convent of Jesus and Mary & St
Bede's College Shimla. Since
school time she was an active

Lotus Rescue has done a commendable job in transforming, empowering and uplifting thousands of people and all of this was possible only because of her belief in herself and in humanity. She is the inspiration to innumerable women and her contributions are simply beyond applause. She has made a huge positive difference in the society by creating a hopeful and bright impact in the lives of the ones who need it the most. Her journey is stirring and her diligence and industriousness is just mesmerising. She is unstoppable in her journey and her brilliance and zeal is what this world needs at this moment

# Laxmi Narayan Tripathi Transgender Rights Activist & Bollywood Celebrity

Laxmi Narayan Tripathi is a transgender/Hijra rights activist, bollywood actress, Bharatanatyam dancer, choreographer and motivational speaker in Mumbai, India. She is also the Acharya Mahamandaleshwar of kinnar akhada. She was born in Malti Bai Hospital on 13th Dec 1978 in Thane

#### LAXMI NARAYAN TRIPATHI

Mahamandleshwar Kinnar Akhara She is the first transgender to represent Asia-Pacific at a United Nations task meeting, has been playing a crucial role in uplifting the lives of the LGBTQ and transgender communities in India for over a decade now. Not only that, she is also an actress, a dancer, a motivational speaker and a writer

Laxmi turned into a transgender rights activist in early 2000s.

In 2002, she was appointed as the president of Mumbai based DAI Welfare Society, the first registered organisation in South Asia working for the welfare of the eunuchs. Three years later in 2005, the then-Maharashtra home minister RR Patil imposed a ban on bars in Mumbai. Laxmi led protests against the decision which affected the livelihood of bar dancers across Mumbai. Though the home minister's decision stood, the protests, in a real sense, started Laxmi's journey as an activist. Then in 2007, Laxmi started a non-profit organization for the welfare of sexual minorities in India, Astitva. Her lengthy fight to get transgender rights recognised came to an end in 2014, when the Supreme Court of India recognised them as the 'third gender'.

Laxmi continues to work for the betterment of the transgender and LGBTQ communities in the country and even became the chief of a Hindu religious order, the Kinnar Akhara. She is the first Mahamandaleshwar of the Kinnar Akhara.

Tra Agarwal, the CGO at Veersa Technologies acts swiftly into boosting the organization's growth while developing her own professional career side by side auspiciously. She constantly strives to bring transformation and elevate business by putting forward the capabilities of organizations, thus leading its way to remarkable development in the digital age.

## Mitali Dorai Raj Former Captain - Indian Women's Cricket Team

Mithali Dorai Raj is an Indian cricketer and former captain of the India women's national cricket team from 2004 to 2022. Mithali is the highest run-scorer in women's international cricket and is considered one of the greatest female cricketers of all time

Mithali is the recipient of several national and international awards, including the Wisden Leading Woman Cricketer in the World in 2017, Arjuna Award in 2003, the Padma Shri i in 2015, and Major Dhyan Chand Khel Ratna in 2021

Mithali Raj called time on an illustrious career that spanned over two full decades and established her as one of the all-time greats of the game.

## MITALI RAJ

## Indian Crickter & Commentator

Mithali retires with 10,868 runs to her name, which is the most any player has scored in women's international cricket. Former England captain Charlotte Edwards previously held that record with 10,273, a tally that Mithali crossed during India's three-match ODI series in the country in July 2021.

Mithali has scored 7805 runs in women's ODIs, the format she has played the most. This leaves her well clear of the rest of the players in the list of all-time highest run scorers in ODI cricket.

Mithali retires as India's highest run scorer in the shortest format of the game. Mithali scored her first double-century in red-ball cricket at the age of 19, which makes her the youngest double centurion in women's cricket. She scored 214 off 407 balls against against England in Taunton, helping India draw the match.

Mithali captained India in 155 ODIs, which is the most by any cricketer in the history of the women's game

Amrita was born with an interest of spreading education amongst the mass, because this is the only path of awareness and acquiring knowledge which leads to enlightenment

Currently she is working as a head of institution of P P Memorial Academy, Dhulagarh Howrah since 2012

Here too she had to battle out, her pavement isn't covered with rose petals but it's the other way round. With many humiliation, fights, threats, few love and supports she could bring the school at a pedastal where discipline is the main word.

She always want to be behind as guardian angel, inspiration, and motivation for all the kids

### AMRITA ROY

## Head of Institution

Achieved positive verbal reinforcement from the Head of the Institution as well as the colleagues for participating and organizing Cultural Events. Enhancing the development of the society by rendering free education and raising funds for the under privileged children. Worked as an English faculty for providing special coaching in the office of the Deputy Director of Employement, Barasat Dist. Employement. It was a coaching rendered to the job seekers under the scheme-- "Skill Development for the Registered Jobseekers of Directorate of Employment Govt. of West Bengal.

Honoured and elevated her existing school with various awards, from telegraph and others, and recently with National School Awards for two consecutive years, two awards for one each, and from National School Awards received one myself in the field of Commendable contribution in Education System. 100 highly effective teachers award Chetna Education Connect Plus has awarded in the category of ongoing commitment to Excellence in Education. Associated with various social works

Dr. Minal is a Tedx Speaker and Co- Founder Epione pain management centre. She is a Senior Consultant Pain Physician in Hyderabad, India.

At 16, she embarked on her medical school journey, and it felt like a glimpse of a better world. Five and a half years of studying medicine have taught her not only about the intricacies of healthcare but also about the challenges women face in society. Returning to her hometown after completing her MBBS degree, marriage became the next societal expectation. Fortunately, she was raised by strong parents who instilled in her the importance of speaking up, having opinions, and deserving equality regardless of gender. As a result, she learned to be independent and self-reliant

## Dr. MINAL CHANDRA

TedX Speaker,
Senior
Consultant
Pain Physician

she realised that education played a pivotal role in shaping my self-worth. With resilience and determination, I managed to rise above the negativity. Education empowered me to believe in myself and my accomplishments, helping me overcome the comparisons.

You can't make changes in one day but only when you start taking small steps towards making these changes, the world will start seeing the difference. The world needs people like her to take these small steps in the betterment of the society. Nothing seems tohavestoppedher in achieving whatever she has achieved till now-

- Tedx Speaker
- Awarded India 100 women Icon award women of substance award by various institutions.
- Awarded women of substance award

Falguni Nayar CEO Business Leader

When it comes to talking about female entrepreneurs in India, it's hard to miss Falguni Nayar. Born and raised seeing her father running a small business, Ms.

Nayar bid adieu to her position as the Managing Director of Kotak

Mahindra Capital at the age of 50 to start her own business from scratch. That's how a future unicorn was born.

Moment of inspiration
Ms. Nayar was an IIM Ahmedabad
alumnus for approx 20 years. She
worked as a venture investor and
merchant at Kotak Mahindra
Group. After running the group's
global operations in the US and
UK, she started as the head of the
institutional equity division. In
2005 she was appointed as the
MD of Kotak Mahindra Capital.

## FALGUNI SANJAY NAYAR

CEO & Founder

Falguni start an online retailer of beauty products, Nykaa in the year 2012. She left her 'ideal' and 'secure' job behind to follow her passion at the age when most people start planning about retirement. She observed the market and found a gap.

Drawing inspiration from real-life success like Ronnie Screwvala of UTV and Ajay Bijli of PVR Cinemas, she built the headquarters of Nykaa in Mumbai – the place she was born and brought up.

#### Notable success:

The story of Ms. Nayar as well as her brand's growth is phenomenal. The company witnessed a growth of 100% year after year for many consecutive years.

Today, Nykaa is the home for 1000+ beauty and luxury brands. In 2020, Nykaa became the first Indian unicorn that was led by a woman. As of November 2021, the company's net worth was \$13 billion.
